

While you can't predict life's outcomes, you can help prepare for them.

Imagine a co-worker, James, recently lost his father...

Imagine...

- Although he lived a full life, the loss was hard on the family.

MetLife at your side

- The MetLife Advantages program gave James and his family the help they needed to navigate this difficult time.
- James was able to get professional counseling for his youngest son who was taking the loss the hardest.

Making life a little easier

- Because professional assistance was available to help make the funeral arrangements, the family was able to focus on the healing process.
- And, since James helped his father update his will through the online program, his final wishes were easier to manage.

Because MetLife's group life insurance policies include these valuable services, James and his family have the support they need.

Don't wait. Prepare your family for life's unexpected outcomes with MetLife Advantages. **For more information on these services please contact your MetLife representative today!**
